from Jesus'

"farewell discourse" at the Last Supper in John's Gospel. Today Jesus reassures Thomas, Philip, and us who don't understand where Jesus is going, much less how to follow him there. All we have to do is focus on knowing and believing in him, and we will find the way. It will not be easy to do, but that is why we have our community with us., to help us. See how the early church community sorted out a big issue in today's reading? We can do the same. Let us listen and learn how.

Acts 6:1-7 They chose Stephen.

1 Peter 2:4-9 "The stone that the builders rejected has become the cornerstone."

John 14:1-12 "I am the way and the truth and the life."

COLLECTION FOR THE CHURCH IN LATIN AMERICA

We will take up a collection supporting the Church in Latin America. For people living in these regions, barriers to practicing the faith include lack of resources, shortages of pastoral agents, and poor infrastructures that make relatively simple things like participating in weekly Mass difficult. Your support of the collection helps to share the faith with those who long to experience God's mercy within strong faith communities.

DID YOU KNOW...

We have not been able to find any agency in WNY that recycles Styrofoam or polystyrene containers. It's not cost effective—you use more energy that you can save. But, it's just awful for the environment in pretty much every way. So consider the alternatives: Don's use it!. Use a mug or other forms of packaging. Avoid vendors such as restaurants or vendors that use it—or ask them to consider recyclable packaging. It's out there— see Wegman's containers—they're a #5—recyclable!
